>the putties to bits."Yeah"! Cried the Rangers.

>Back on his palace Lord Vane was mad . "Curses". Yelled Lord Vane .
"Way don't you go down
to earth and open the chamber canting the
Water- master."Said one of his survents. "Then have
>him steal the Ultra-leader's powers." Said another survents. "I've
got a better idea" said Lord
Vane. "I'll go down to earth and open
the chamber canting the Water- Master and have him steal
>the ultra-leader's powers and destroy him." Yelled Lord Vane. "Soon
those patethic Cyber punks
will be no more". Said Lord Vane. He
prepared for days for his journey to earth. A few days later
>The Cyber Rangers bored a plane headed for Florida. When they were

on board JB started to
wander what would happen if Lord Vane attacked while they were away. "Hey Donn" JB said
>once they were seated. " I wonder what would happen if Lord Vane tried to take over the world
while
>we were away." He said. "Look I've set our alarm to let us know if Lord vane tries any thing
funny." Replied Donn. There was about two hours and twenty minutes. They landed at Orlando
>international airport. They retrieved there bags and called a cab. "Can you take us to the sea
watch towers hotel in Melbourne". "That'll be fifteen dollars." Said the cabby. Mikey paid him
>the money and told him to get a move on.
Meanwhile back in Swansea Lord Vane had found the chamber. "And now let's crack this egg."

>Said Lord Vane as he rased his staff to the chamber. With a loud ZAP the chamber opened.
At first it looked like a tub full of water. But then all of a sudden the water started to rise and it
>also started to take shape. After a few seconds it took the shape a watery type being
"Ladies and Gentleman the water is back." Cried the Water-Master. He was mean looking and
>was he was very evil. "I am Lord Vane sworn emeny of all that is good it's a real honor
to finely meet you." Said Lord Vane . " How can I ever repay you." Replied the water master.

>"Do you recall a group of youngsters called the Mighty Morphin Cyber Rangers." Said Lord
Vane.

>The Water- Master let a loud cry . "I want you to find there Ultra-leader steal his powers and
destroy him so I can take over the world ." Said Lord Vane. "I'll not only steal his powers
>and destroy him I'll destroy all the Cyber Rangers as if they never lived" Replied the
Water-Master. "You shall find them in Melbourne Florida." Said Lord Vane. "Now I shall leave
>you to
weave your evil ways". Lord Vane disappeared.

>
Back at the hotel. The Rangers were just getting settled. "Nice room I wonder if we can order

>room service." Said Donn. Hey guys I'm going down to the spa" Called JB. "Ok" said Leo.
"I'll be back in a hour." Said JB as he grabbed his bathing -suite and a towel and went out the
>door.
When he got there he was in for a big surprise. The Water-Master had fowled him there. JB got
>changed in the locker room where he also showered before he went swimming. When he got in
the pool The Water-Master appeared. "Hello Ultra-leader prepare to meet your doom." Cried the

>Water-Master. "All yeah you and who's army." Replied JB. "Meet my kids." Yelled the Water
Master. He zapped the water surding them causing these water like beninges to rise out of it.

>"Look like I'm going to need some back-up." Said JB. "It's Morphin time." Yelled JB as he
pointed his morpher out in front of him and cried "Ultra-leader." JB morphied into the

>Ultra-leader wearing silver with gold and white trim with a four way strap around his chest with
a

>diamond in the middle. "Come let's see what you guys do." JB Said to him-self as the water- kids
attacked him. With four kicks going north and south he sent two water-kids falling backwards.

>As they fought two water-kids grabbed him from behind. "Let got of me you garlic sucking
dingle brains." Yelled JB as he struggled to get free. "Welcome to my nightmare." Said the

>Water-Master as pointed his staff right at the Ultra-leaders diamond and abzored his powers.
"Oh man I'd better get out of here" cried JB as he broke free. But it was to late. The

>Water-Master had escaped and stolen his powers. "I'd better tell the

guy's" said JB rather sadly.
He
> changed in the locker room and went back to there hotel room where
he told them what
happened. "Oh my god"
> cried Mikey, "How could this be" said Leo, "It must Vane's handedy
work" Said Raphael
who was rater disguised. "I guess this is the
end of the Utrla-leader." Said JB.
> Meanwhile the interdimtel being known as Zorron Received word of
what happened.
"I guess I must give him the power of the Green
Ranger along with the Dragon Zord... and his
> friends
the power of the thunder Zords." Said Zorron. "But what if
the power of the Green Ranger and
> the White Ranger were combined maybe then could they once again call
upon the Ultra-leader
powers, but how do I know that he's worthy
of being the White Ranger." Said Zorron "I guess
> I'll just have to earth and give him the Green Ranger powers first."

 Mean while at Lord Vane's lunar place. The Water-Master had just
returned. "So did you
> destroy him." Yelled Lord Vane. "I was able to steal his powers so
how's that ." The
Water-Master yelled back. They both stared at
each other. "So here's his power coin." The
> Water-Master handed Lord Vane the coin. "Exclent, now with the power
of the Ultra-leader I
can
> destroy the Cyber Rangers once and for all."
 Back on earth JB
was outside there hotel. "What's the matter." Said Matt as he came out

> on to the balcony. "I just can't believe that The Water-Master stole
my powers." "Hey well find
a way to get them back" 'Let's just
hope we can". All of a sudden there was thunder in the
> distance. The Rangers herd it and went running the thunder stopped.
the Rangers went outside
to see the damage. They saw a huge hole
in the sand. "How did this happen." Said boulth Matt
> and Donn at the same time. "If you wanted to know you could've asked
me." Said Zorron.
"Who are you"? Asked Raphael. "I am Zorron
keeper of the powers that protect the earth.I heard
> about what happened with the Ultra-leader power." Said Zorron. "Yeah
so what does that got to
do with us." Replied Mikey in a stern
voice. "I've come to give you new power and
> ZORDS." said Zorron. "JB since you powers were stolen I now give the
power of the Green
Ranger, raise
> your hand to receive your powers and you weapon." He commanded. JB
did as he was told. With
in the blink of an eye he had become the
Green Ranger wearing green with a Gold shield . Then
> a
half flute half Dagger appeared in his hand. "Use this Dragon
Dagger to call upon your Dragon
> Zord." Zorron told him. "The rest of you I give to the power of the
Thunder Zords, Mikey you'll
control the Lion thunder Zord, Donn
you shall polit the Firebird Thunder Zord, Leo you'll shall
> have the Unicorn thunder Zord, Matt you shall control the griffin
thunder Zord and Raphael
you'll polit the red-dragon thunder
Zord." The Rangers looked up into the sky. The thunder Zords
> zoomed acrossed the sky like thunder. JB removed his helemite to get
a better look. "Wow those
new Zords are awesome." He Said. "There
is still much work to be done, look into the water."
> Replied Zorron. The Rangers peered down into the lake. They saw that
Lord Vane had unleshed
the Water-Master upon the people of
Orlando. "Oh man that dude needs a face lift very badly."
> Cried Matt "Not only that Lord Vane Has made him grow to full size."
Replied Zorron " You
must defeat him before he causes to much
damage, JB rember use your Dragon Dagger to call
> upon your Dragon Zord go and let the power protect you". He said .

"All right it's Morphin
time." Cried JB
>as they pulled their morphers out in front of them. "Dragon Zord"
Yelled JB, "Mastodon" Cried
Mikey, "Pterodactyl" Said Donn,

Raphael morphed into
the Red Ranger and like a rambo of power the
Rangers telaported to the battle site. When they
>got there it didn't take them long to find the Water-Master
distorting every thing in sight. "WE
NEED THUNDER ZORD POWER NOW."
They cried as they thrusted their hands into the air

played a few notes. the
Dragon Zord appeared right behind the
Water-Master. "THUNDER MEGAZORD BATTLE
>READY." Cried The Rangers from the Control room behind the Thunder
Mega Zord's eyes.
JB Played a few notes on his Dragon Dagger
Commanding the Dragon Zord's hands to point
>right at the Water-Master. Missiles came out of the Dragon Zord's
finger tips. JB played a few
more notes. The Misslses fired at the
Water-Master causing him to fall back words, But he
>quickly sprang back to his and used his staff and fired a ray at the
